

Template for Japan OLED forum preliminary draft (Title)

○ Kyushu University Taro¹ Kyushu University Taro² Kyushu University Hanako² (Name)

¹Kyushu University Integrated Science and Engineering Research Academy, ²OLED development department Ltd. (Affiliation)

E-mail:†taro@kyushu.ac.jp (E-mail address)

Abstract Please describe the lecture content briefly by about 200 characters. Please make the preliminary draft with **two pages in A4 size**.

(When the program is opened, the abstract is published to the web in advance.) Please thoroughly proofread, as the preliminary draft is offset printed as submitted.

<Preface>

Please enter the title, speaker name (Mark ○ for the presenter), affiliation, E-mail address, and abstract by about 200 characters, in the top portion of the first page [1].

<Experiment>

Document writing method

Font size: The document should be in standard 10-point printing type, and the space between the characters and the lines should be properly adjusted.

Font: Please use any of the Japanese fonts of “Mincho or Gothic”, and any of the English fonts of “Times, Times New Roman, Symbol, Arial, and Century”.

Figure and table: Directly paste at any place in the preliminary draft.

Photo: Color photo is not advisable. The black and white prints are taken, and hence please change the color photos to black and white photos.

(Note) The pasted contents should not extend outside the frame of the preliminary draft.

<Result and consideration>

Please make the PDF file (1.0 MB or less and security setting “Nil”) that can be displayed and printed with Adobe Acrobat Reader 4.0 and above.

Please save the created PDF file name as “Presenter name.pdf”. In case the speaker is Kyushu University Taro, it will be “Kyushu_University_Taro.pdf”.
